

# ExecSummaries™

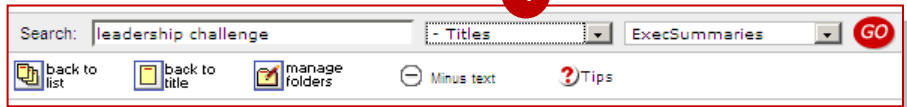

A premier collection from Books24x7®

**ExecSummaries™** is the fastest and most productive way to gain quick insight into leading business books from today's foremost business authors. Condensed into only eight pages, these concise high-level summaries include the most salient points so that you can immediately put these concepts into practice. Also available in ExecSummaries are a selection of audio recordings of live presentations with various authors discussing their book.

## Easy to Access and Use

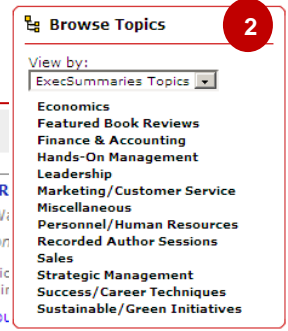

### 1. Search by title

- Enter the title of the book then narrow your search to "titles"
- If your subscription includes BusinessPro™, the results may also include the full-text book. Summaries are distinguished from the full-text book by the  icon while recorded sessions are denoted by the  icon.

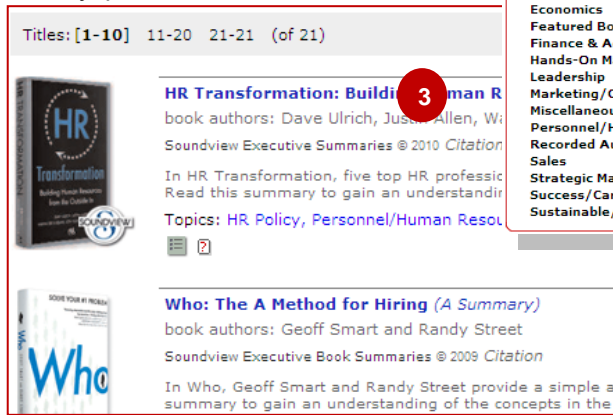

### 2. Browse topics

- Select "ExecSummaries Topics" from the 'View by' pull-down menu
- Click the desired topic

### 3. Click on the title to access the summary's Table of Contents page

From any page of the title you can:

4. Click on the download Browse Tool button  to open the Download Center without leaving the page.
5. From there you may download an MP3 file to play on your PC, burn to a CD, or upload to an iPod; or download the summary in multiple formats, including printable PDF, LIT, PDB, TXT or Kindle-ready mobi.
  - Easy access downloads are also available from your search results and New Titles Notification email!
